Yellow ducky	You can't figure out why your C++ program is not working. After 3 hours of communication with a toy duck, she answers your question! Your mental health is -3, education + 4. If you play this card along with the magic tambourine card, you do not waste time points and mental health.	-3?	4	0	5 time	1
Magic tambourine	Perhaps it will work?) If the die is greater than 3, +1 to everything. Otherwise 0.				1 mental helth	1
Furious party	Student hangouts are extremely important for socialization, but are you healthy enough? In the morning, you feel overwhelmed, the die roll is lowered by 1. If after applying this mental health card more than 20, then congratulations, you are in a serotonin pit. Your health is equal to the remainder of division by 20.	6	0	-3	10 time	1
Annoying fellow student	Always answered the questions that were just answered. The card remains on the table for 3 turns. -1 education every turn (while the card is on the table) Can be played at any time.	-1	-1		free	2
Academic Commission	Allows you to get rid of the Annoying fellow student card. Can be played at any time.	2			free	2
Crooked desk	Just a crooked desk.		-1	-2	3 time	3
Uncomfortable chair.	It seems to me better to stand already			-1	1 time	3
Test	Dice Roll> 4 Congratulations on your test successfully +3 education, otherwise -3 education	-2	+ 3	-1	4 time	2
Smoking	EHHH you just started smoking. Every 2 turns you have -1 health, + 1 mental health. Smoking cannot kill you when health = 1 you quit smoking. You can also quit smoking if you quit more than 7)	1		-1	6 time	1
Willpower	Adds + 3 to the die roll. Tip: Use how anti-smoking.				3 mental helth	3
drink for class	Try not to breathe on anyone	3	-4	-1	5 time	2
Tell them I'm sick. (dota 2 is drawn on the card)	Mid or feed! Roll the dice> 3 Oh you won a match in DOTA 2 + 1 mental health otherwise -2 mental health		-3		6 time	3
Run	Do you somehow improve your health)			10	8 time	1
Unknown apathy	You are fine, but you still feel bad	-1	-1	-1	3 time	2
Bad week	Play with Unknown apathy x3 to all its attributes				free	1
Favorite lecturer	We can say that this is a heal card)	2	2	2	2 time	3
Unfamiliar audience	Where I am?		-1		1 time	3
Fifth lecture	What am I?	-3			4 time	3
Beer with a discount	You missed all the lectures.		-10		10 time	1
The lecturer praised you	Seems like you're not so useless.	2	5		3 time	1
Conversation with the ex.	Extremely unpredictable result, roll the dice. Dice: <3: -4 everything, 2 <Dice <5 + 1 everything, dice> 4 + 3 everything				5 time	2
Random event	You choose who to play a card on, then draw an opponent's card and immediately play it.				2 health	2
Sleepless night	I shouldn't have put it off until the last moment	-5	7	-5	8 time	1
Scholarship	Was it worth it?		3	7	4 mental helth	1
